CSS Frameworks: Bootstrap, Tailwind CSS, Responsive Design, Mobile-First Development
Backend & CMS: Node.js, PHP, WordPress, OpenCart, Magento
Databases: MySQL, MongoDB (Mongoose)
Tools & Practices: Git, RESTful APIs, Cross-Browser Testing, Agile/Scrum, Performance Optimization

PROFESSIONAL EXPERIENCE

Frontend Developer   Sep 2022 – Present
A Pixel House   *Kolkata, West Bengal*

- Architected and developed responsive web applications using React.js, improving user engagement by implementing intuitive UI/UX patterns and component-based architecture
- Collaborated closely with cross-functional teams including UI/UX designers and backend developers to translate Figma/Adobe XD mockups into pixel-perfect, interactive components
- Optimized application performance by implementing code splitting, lazy loading, and efficient state management using React Hooks and Context API
- Maintained high code quality through consistent use of modern development practices, version control (Git), and comprehensive code reviews
- Enhanced website accessibility and SEO performance, ensuring WCAG compliance and improved search engine rankings

Senior Web Developer and Designer   Jun 2021 – Aug 2022
Teccult Web Solutions   *Kolkata, West Bengal*

- Engineered dynamic, conversion-focused marketing landing pages using HTML5/CSS3 and Vanilla JavaScript, resulting in improved client acquisition rates
- Conducted extensive cross-browser testing and implemented polyfills to ensure seamless compatibility across IE11, Chrome, Firefox, Safari, and Edge browsers
- Customized and extended WordPress themes with custom plugins and child themes to deliver tailored solutions meeting unique client specifications
- Implemented responsive design principles ensuring optimal viewing experiences across desktop, tablet, and mobile devices

Junior Web Developer and Designer   Jan 2020 – Jun 2021
Soft Tech Global Ltd   *Kolkata, West Bengal*

- Converted PSD/Sketch designs into semantic, accessible HTML/CSS layouts with pixel-perfect accuracy and cross-browser compatibility
- Developed and launched e-commerce websites using OpenCart and Magento platforms for small businesses, integrating payment gateways and inventory management systems
- Conducted user research and analyzed target audience requirements to establish website architecture and navigation flow
- Collaborated with clients to gather requirements, provide technical consultation, and deliver projects within timeline and budget constraints

EDUCATION

Bachelor of Arts   2008 – 2011
Calcutta University   *Kolkata, West Bengal*

Web Designing and Development   2018 – 2020
Arena Animation   *Kolkata, West Bengal*
